## GAMBRINUS MALTING

Our plump 2-row European-style pale ale malt is the base for all beers. Processed from premium Canadian 2-row barley, Gambrinus Pale Malt is known for fresh, bready notes with background notes of biscuit, grain, and honey.

Use for styles where a rich malt flavor can be shown off, or where a strong malt backbone is needed to balance other strong flavors – IPA, pale ale, brown ale, golden ale, or Scottish and Belgian ales.
