Munich Malt

Chile

PATAGONIA MALT
Explore flavors from the end of the Earth

Produced from 2-row spring barley (Sebastian, Traveler, Planet, and Irina) influenced by the unique Andean-Pacific climate of Chile, Patagonia Munich malt can be used as a standalone base malt for dark lagers and other malty styles, or at a smaller ratio as a color and flavor intensifier for many beer styles or spirit washes.

Color °L	10.0 - 14.0°
Moisture % Max	7.0%
Protein Total	11.5%
Extract FG Min	80.0%
Usage Rate	Up to 100%
