

El Dorado®

American

Origin: US Grown. Moxee Valley of Washington. The Moxee Valley is a sub-growing district of the Yakima Valley and has a slightly cooler climate and is located in the northern part of the Yakima Valley. Due to its cooler temperatures, outstanding aroma crops are grown there.

El Dorado® was developed by CLS Farms, LLC in 2008 and released in 2010. CLS Farms is a multi-generational family hop farm.

Usage: Dual purpose hop variety with exceptional aroma qualities and high alpha acids.

Aroma & Flavor Characteristics: El Dorado® consistently elicits responses of fruity notes, specifically tropical fruit flavors. Other fruit notes offered have been pear, watermelon and stone fruit.

Maturity: Early to mid-season
